

Dear Sisters and Brothers,

Hope this letter finds all of you safe and healthy and continuing to be cautious and wearing your masks when out in public. Update on my son, Cody, he has taken his retest and the results are **NEGATIVE!** Thank you again for all your prayers.

As I started writing this letter, I saw the post on the passing of Brother John McCord. It was always a pleasure getting the chance speak with John and I know he will be deeply missed; my sincere condolences to his family.

My prayers are also with those that live near the fires burning in Silver City, T or C and Elephant Butte. I'm glad to hear that our members are cautious and trying to stay safe. Thank you to the Firefighters that are hard at work to keep the fires contained and working to put them out. My prayers go out to them to keep them safe and to their families as well.

The Grand Line Officers look forward to meeting with those members who would like to join us at the all member Zoom meeting next week. It will be wonderful to see and chat with those of you who plan to attend. If you are interested, please contact Sabrina and she will be happy you add you to the list. Our Sunday Zoom meetings have really kept me together as I miss attending meetings and I'm sure you all do too.

I hope that each of you have had a chance to read our WGM and WGP's letter. I know that we are all saddened with the cancellation of Grand Chapter this year. Sister Pam and Brother Don have worked hard to try to see what could be done, and because the health of our members is so important, they made the best decision possible; thank you WGM and WGP.

Stores are starting to open slowly and as much as I love to shop, I'm still not comfortable going out and doing so. I hope that all of you will remain safe and cautious. As I have said before, each and every one of you are special to this Grand Chapter and to me.

This is a special weekend for all the fathers out there and I want to wish each of a very **HAPPY FATHER'S DAY!** I miss my dad everyday and I know that I am not alone in this; many of us have lost our dads. Take time to spend time with yours or call them if at all possible; you are so blessed to still have yours. "One of the best feelings in the world is knowing that your presence and absence both mean something to someone". God bless you!

Star Love
Christel – AGC
