

Dear Sisters and Brothers,

Hello from Albuquerque. I am so happy that we have all made it to today and hope this finds you in good health.

Sisters and Brothers, I am looking forward to seeing many of you at the all member zoom meeting that have been scheduled. Sister Sabrina, our Grand Conductress, and our WGM have worked extremely hard setting these up, and the Grand Officers are working on the content of the meetings. Each meeting will be on the 3rd Sunday of the month with February and March starting at 4pm and April starting at 2pm.

In February's meeting the Grand Star Points will be sharing the virtues of the heroines of our Order. I am sure this will be interesting and informative. If you are aware of new members or candidates, you think would get a benefit from this they are also invited. You would just need to forward the invitation to them. Please also inform Sister Sabrina at sabrinapack@gmail.com as to the name of the invitee so we know to allow them in.

We will also be giving out a Zoom meeting tip for the chapters that are meeting virtually. This will be a good time to get your questions answered. The Grand Officers will be there to provide you with the assistance you require to keep our members active.

In March we will discussing member recruitment during these trying times. Bring your ideas to share, hopefully get a few for your chapter that you had not thought of. We also want your ideas on fun activities you do in your chapter to keep members engaged.

As in February we will also have a Zoom meeting tip, and we all want to hear the good things that have happened in 2020, we have seen plenty of the other. Again, this meeting will be open we just ask that Sister Sabrina be informed as to who has been invited.

I was pleased to see many of the counties have progressed to yellow and green. We may be looking at the light at the end of the tunnel, let us hope it is not an oncoming train. We need to maintain our hope of the future and believe we will overcome these trying times. Remember that if we put our trust in God our faith will be rewarded. In Isaiah Chapter 40 verses 30,31 he speaks of hope.

30 Even youths grow tired and weary, and young men stumble and fall; 31 but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Let us remember these words and have faith in the Lord and for what he has in his plans for us. With his hand we can not do anything but grow stronger.

In John 16:33 Jesus said "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world." The Lord never promised us a journey that was always smooth and peaceful, He promised that he would be there for us to lean on. We have nothing to fear God will find a way to see us through this, have faith in the Lord and take strength in His ultimate power to see us safely past this.

I hope you enjoyed this, stay safe and may the Lord watch between me and thee, while we are absent one from another.
