

Greetings Members Near and Far,

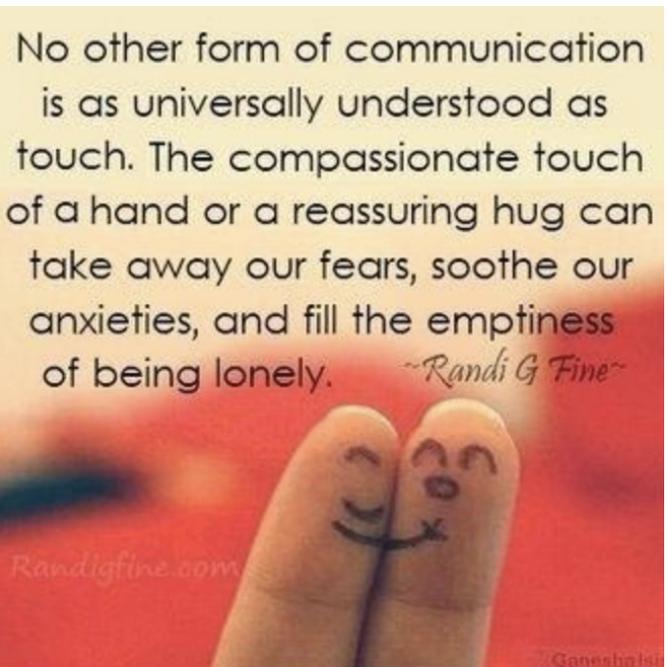

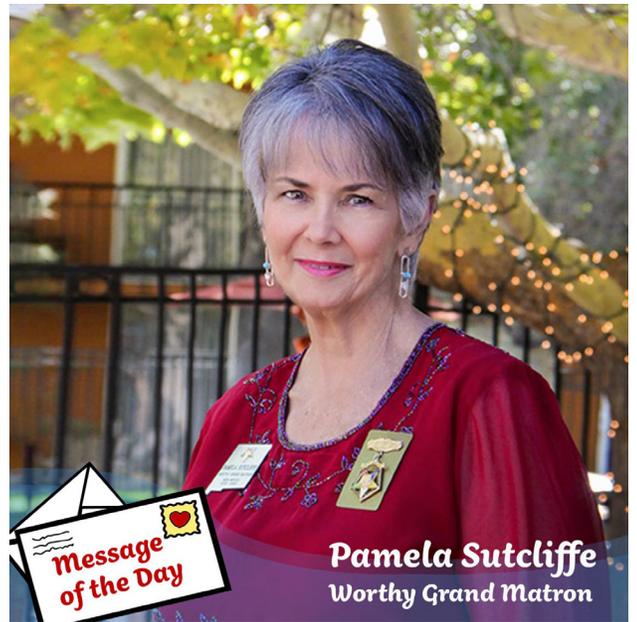

We have two All Member on-line meetings scheduled for February 21st and March 21st, and a mini-conference in April to look forward to! Be sure and mark your calendars for February 21st. This will be an opportunity to actually SEE each other and share a little time talking about the positives we can find to take away from 2020. We will also have a brief ceremony (not ritual) to remember and celebrate the lessons from the heroines of our order. I look forward to seeing members I haven't seen and hear a few words to 'hold us over' until we are able to hug each other! If you have petitioners that you have not been able to see and interact with, they are welcome to attend as well. Make sure you have their email to send them the invitation.

We had to stop our official visits in the first week of March in 2020, and I hope we will be able to start again about the same time this year - I want to practice being optimistic. Here we are again with another message of hope but getting closer to being closer!! Dan and I will hopefully be in line for the vaccine as soon as possible. We have registered but haven't heard anything yet. We hope to be in the next 'wave' but we will just have to wait and see. If you have any hesitation to get the vaccine, please discuss it with your doctor.

In the meantime.....I propose we have a drawing for the date we will be able to open our chapters! That would be the date of the Grand Master's edict that opens the lodges. The cost will be \$1 donated for each date entered. You could submit a different date of opening for each or multiple chances for each date. All correct guesses would then be put in a drawing. The winner of the draw gets 10% and the Grand Chapter Education Fund gets the rest. If you send me \$1 I will put your name in once for the date you choose. If you send me \$10 I will put your name in for each date and the number you decide. (i.e. \$10 - 10 different dates - one chance for each date or \$10 - 10 chances for 1 date or whatever you let me know you want.)

SEE YOU ALL AS SOON AS POSSIBLE!

Pam
