

Sisters and Brothers,

I hope everyone is having a great summer! I wanted to share some exciting news. At the end of the month, Serina, mom (Sabra) and myself, along with Ted from SkyWest Media, where I work, will be traveling to Jackson, Mississippi, for a video project to capture a video on the **Little Red School House**—the home of OES. My next scheduled message will be after July 4th and I look forward to sharing more then. I didn't realize that the top floor of the schoolhouse in an Eastern Star Chapter room, set-up as it was back when it was used as such. Have any of you been there? I would love to hear from you.

New Mexico Grand Chapter plans are well underway now that the state is coming out of the pandemic. Pam, WGM, and Don, WGP, have great ideas coming together! I hope you saw the flyer and go to the OESNM.org website to learn more. Scroll down the page to Grand Chapter Events and click there to see the information. More information is coming.

Also, I really encourage anyone interested in holding an **elected position within NM Grand Chapter** to highly consider it. We need you, want you, love you! Positions to consider include: Associate Grand Conductress, Grand Sentinel, Grand Trustee (sister), Grand Secretary, Grand Treasurer, and the new set for "Membership and Marketing Board."

This new set of elected members for the "**Membership and Marketing Board**" includes three persons. As you know marketing and membership growth is essential to our Order. These very important positions help to retain and carry forward the vision and strategy development and implementation for growth, with a focus on fellowship, service, and so much more. The idea of this board of three will be similarly handled to that of the Grand Trustees. Once three members are in place, the term would be for three years. This first couple of years though one individual would be elected for one year, one individual for two years, and one individual for three years to get the system going. If you have any questions, please let me know. I would love to encourage you and answer any questions you may have, if I have those answers.

Your Fraternally,
Sabrina Pack
Grand Conductress
