

Dear Sisters and Brothers,

Hello from Albuquerque, although I am actually in Las Vegas, NV getting ready for our team event in the bowling tournament. I am so happy that we have all made it to today and hope this finds you in good health.

Sisters and Brothers, we have had the opportunity to continue with the remaining official visits and it has been wonderful being with our Sisters and Brothers once again. We only have two remaining so if you are able please try to attend one.

I have some wonderful news for Adah chapter, we will be initiating 2 candidates on the 16th of July and 2 more candidates on the 6th of August. We hope to make this memorable, so if you are available please join us. Some of these ladies did join us on the all member Zoom meetings we had, and they still want to join - - - WOW. They must have liked what they saw.

Now for today's funny, I do not know if this is true, but it is humorous.

This week I am going to quotes from a very insiteful man, Art Linkletter.

"Things turn out best for the people who make the best out of the way things turn out"

"Do a little more than you're paid to. Try a little harder than you want to. Aim a little higher than you think possible, and give a lot of thanks to God for health, family & friends."

"Each generation has been an education for us in different ways. The first child-with-bloody-nose was rushed to the emergency room. The fifth child-with-bloody-nose was told to go to the yard immediately and stop bleeding on the carpet."

"Kids do say the darndest things"

"If anything is worth trying at all, it's worth trying at least 10 times."

Now for a few other quotes I have found interesting.

"Live as if you were to die tomorrow. Learn as if you were to live forever."

— **Mahatma Gandhi**

"Two things are infinite: the universe and human stupidity; and I'm not sure about the universe."

— **Albert Einstein**

"You've gotta dance like there's nobody watching,
Love like you'll never be hurt,
Sing like there's nobody listening,
And live like it's heaven on earth."

— **William W. Purkey**

"Many people will walk in and out of your life, but only true friends will leave footprints in your heart"

— **Eleanor Roosevelt**

And with that quote from Eleanor Roosevelt I wish each of you many footprints.
