POLICY

As revised by the Board of Grand Trustees of the Grand Chapter of New Mexico, Order of the Eastern Star September 2022

The ESTARL program was established pursuant to our interest in encouraging youth to train in the areas of religious leadership. The program is designed to encourage students to deepen their interest in religion.

The Order of the Eastern Star does not discriminate on the basis of race, color, national or ethnic origin or religious belief in the administration of its award program. Students who participate in the program are chosen solely on the basis of outstanding ability and demonstrated qualities of leadership in the area of religion, and the uniqueness of their interest and experience. We strive to form a pool of outstanding young persons from which our future religious leaders will come.

The Order of the Eastern Star has concluded that it is in the best public interest to encourage these outstanding young persons to continue their development. The Board of Grand Trustees of the New Mexico Grand Chapter, Order of the Eastern Star, will make available each year the total sum in the ESTARL Fund for education grants.
