

Welcome to visitors or guests

Dear Visitor[s] or Guests

To have you with us tonight adds a great measure of happiness to our meeting. We all look forward to the extras that make each meeting memorable, and guests always make any meeting special. You come not just as a visitor, but as one of us—for you aspire to the same goals as we do, and you travel a similar road. You add interest and enrich the hours by sharing your knowledge and experience; and, as any perfect guest would, you compliment us by listening to what we have to say. You even laugh at our jokes. We invite you to come to our meetings as often as you can what the bonds of friendship be woven ever closer. And when you must leave, you take with you our love and good wishes.

Dear Guest

Today the skies are bluer
And happiness makes a radiance bright
Over the road we walk together,
For friendship adds to our delight.
Today, tomorrow, and forever,
Whether it's joy or whether it's care
Side by side we will dare the future,
As Friends, in love, all things we share.

File #20-14A Worthwhile

Some people know the way to make each day seem more worthwhile,
They do the nicest things for you and always wear a smile,
They make this world a better place by practicing the art
Of reaching out to others and by giving from the heart.
