

It is moved that the Bylaws Governing the Grand Chapter of New Mexico be revised as follows:

Article 4, Section 10, Duties of the Board of Grand Trustees
Paragraph (b)

Now reads:

The Board of Grand Trustees shall exercise a general supervision over the financial affairs of the Grand Chapter, safeguard its funds against loss and receive and examine the report of the professional audit.

Be changed to read:

The Board of Grand Trustees shall exercise a general supervision over the financial affairs of the Grand Chapter, safeguard its funds against loss and receive and examine the report of the annual audit.

Rationale:

This brings our Bylaws in compliance with legislation passed last year.
